DIGEST SHEET

TITLE OF ORDINANCE: SPECIAL

DEPARTMENT REQUESTING ORDINANCE: PURCHASING

SYNOPSIS OF ORDINANCE:

*SR-03-08*

An ordinance approving the award of Reference #1319, with respect to the purchase of a One Ton Cab and Chassis, for the Traffic Engineering Department. Cost of the truck is the lowest of the most responsive and responsible bids received.

EFFECT OF PASSAGE:

Cab and Chassis is needed to receive a utility body that is being rebuilt for the Department. This vehicle will be used constantly as a traffic signal trouble truck, and is replacing a vehicle that has over 95,000 actual running miles recorded.

EFFECT OF NON-PASSAGE:

Without the replacement, traffic signals would not be properly serviced and maintained resulting in confusion and delay, thus increasing the potential for traffic accidents.

MONEY INVOLVED (Direct costs, Expenditures, Savings):

Bob Jackson North \$12,630.00 +/-

ASSIGNED TO COMMITTEE (President):
